NEWBERN, N. C., NOV. 19, 1873.

### A Home in North Carolina.

The Raleigh Sentinel says: We were talking with an inte'ligent gentleman not long ago, when he said that he had lived in another State once, and had travelled through many States, but had yet to find the State that offered so desirable a home as North Carolina all things considered .- master at Kinston vice E. Grady, resign-We had had a similar experience and had ed. arrived at the same conclusion. Of course North Carolina presents considerable variety of climate and a great diversity of soil : nor is every portion equally well favored. But take it all in all from mounhome. For ourself, we would rather live notic." in the Northern portion of our State than any portion of the world. When the writer was a resident of Memphis, he was one R. E. Lee. day in the law office of Heath and Lewis, both North Carolinians, the latter now a resident of Raleigh, (Maj. A. M. Lewis,) for like ourself it was impossible for him | as Contentnea No. 23. to stay away from the "Old North State." the lamented Judge Heath, and our eyes Statesville and Concord. turned towards our old homes, when the Judge said very tenderly : "I would rather live in the Albemarle region than any where else under the heavens." North Carolinians of the right stamp never formodesty.

We are pleased to see from time to time, old homes and wander away, are con- isbury jail, is now engaged in writing strained at last to come back to the place sketch of his adventurous life. of their birth, for

"At each remove they drag is lengthening chain." The Circensboro' Patriot tells us that a removed to Indiana and sufficiently tried Sosays the Wilson Advance, the Northwest, will remain in North Caro lina. We are really glad to hear this, for they are excellent citizens, mond, fragal, honest and industrious. The Patriot well robbed of \$300 worth of goods,

"Our exchanges are constantly noticing parts of the West, and Northwest, to bet ter their fortunes returning to their old thence of liquor. h ones-wiser, but not richer men-of men. The proposition of a \$20,000 subscripg and old North States

spect and love of all his neighbors. MEMORIAL TABLET. - A very handsome

tablet has been erected in St. Thomas' Catholic church in memory of the Rev, Thomas Murphy, formerly the beloved pastor of that church, who died here shortly after the yellow fever scourge in 1862. Many of our readers will remember the patient devotedness of Father Murphy who, when a dreadful pestilence starked abroad through our city, zealously labored The Kinston Gazette drapes its columns | In the cause of humanity, serving all without distinction of ereed or seet. His untiring efforts were alike for all. And when the cry of death had ceased, and those who had fied returned. Father Murphy, wearied with his long and faithful ministrations and watchings at the bed side of the sick and dying, was himself taken sick and died after a short illness and his bereaved congregation bore his remains to their present resting place beneath the church. The tablet is a grateful tribute to his mem ory and we are gratified to learn from Father Gross and White that many non-Catholies in our city, by liberal donations, materially aided their efforts and those of the congregation in propuring the tablet.- [Wil. Star.

day, will, in view of the present unsettled | do as well. - [Timely Topics. condition of financial affairs, grant some ellef to our people by extending the time for selling the property of those whose axes remain unpaid. To give some idea of the necessity of such relief on the part Mr. Eaton L. Puillips, an old citizen of of the Legislature we would state that for delinquent taxes in this county, representing in the aggregate valuation over one million dollars, which the Sheriff will be compelled to sell unless the needful acrelief may be granted, and we hope that kiss the documents which Sher if Blac's will lay before the Legislature may receive the early and favorable consideration of the term. members.— Wil.
